## Wooden Flower Planter & Box

### Company Profile

Qingdao DeWorth Garden Products Co., Ltd. is a premier provider of high-quality garden planters and realistic artificial turf, designed to elevate residential and commercial landscapes effortlessly. We specialize in crafting durable, stylish garden boxes in various sizes and materials, perfect for vibrant flowers, herbs, and greenery. Our premium artificial grass offers lush, evergreen beauty with minimal maintenance, ideal for lawns, balconies, patios, and rooftop gardens. Committed to quality, innovation, and sustainability, we provide solutions that combine aesthetic appeal with long-lasting performance. Transform your outdoor areas into inviting, low-maintenance retreats with DeWorth.

### Business Philosophy

Corporate Philosophy : Science, rigor, quality and service

Operation philosophy: integrity, innovation, win-win, excellence

Product philosophy: quality, focus, pragmatism, efficiency

Brand philosophy: fashionable, friendly, high-quality, professional

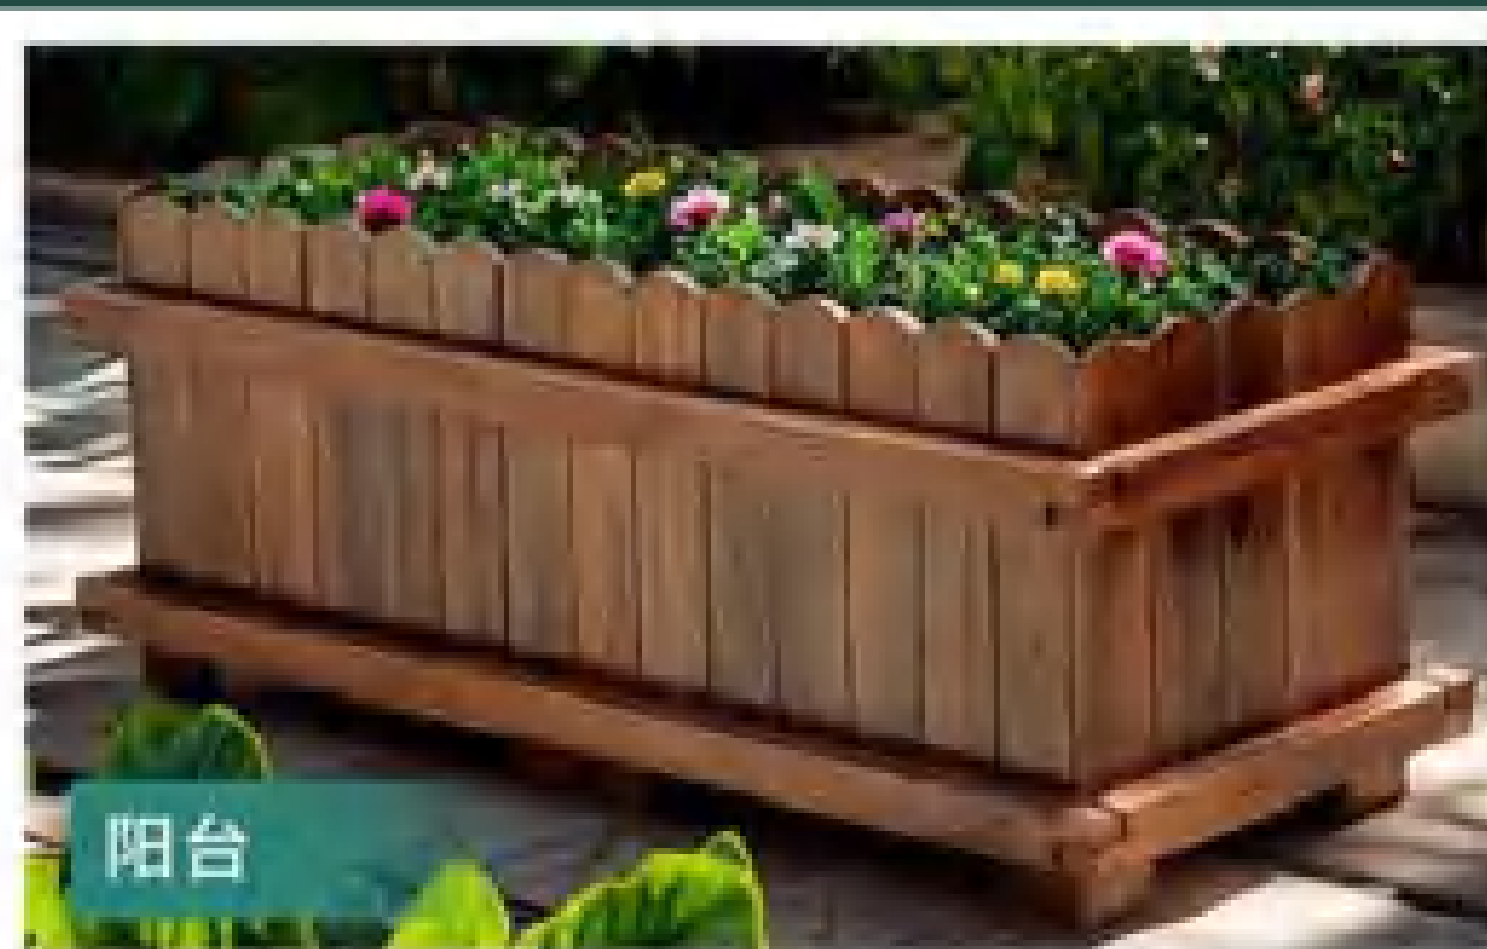

### Greenery in Time

- **Wooden flower boxes, using the texture of the original wood to record the four seasons**
